

They want nothing  
but a shelter...

## Colours of feelings...

It is shade

Around us are homeless people,  
they don't have a place to go

They want nothing but a shelter

A touch of warmth.

This place is for the women destitute.

Somehow, these women are marginalized.

This committed movement is in the midst of us for a score of years.

Thanal strives to be the best place for the destitute to weave  
a life though within their limits

But thanal always challenges the limits

*To this world and the Hereafter. And they ask you about orphans. Say, "Improvement for them is best. And if you mix your affairs with theirs - they are your brothers. And Allah knows the corrupter from the amender. And if Allah had willed, He could have put you in difficulty. Indeed, Allah is Exalted in Might and Wise.*
